## 5000 TROOPS TO GUARD POLLS

(Continued from page one)

majority would make Vasconcelos look "ridiculous" whereas Vasconcelos has said he is so popular that only a refusal to permit his partisans to vote, or to count their ballots can defeat him.

**Protection Asked**  
Vasconcelos has repeatedly asked for government protection on his speaking tours. He says eight attempts already have been made upon his life.

**Platforms Told**  
Both men have stated that if elected they would depend on civilian support based on their programs of reform and construction rather than on the use of the army to maintain them in power.

Vasconcelos was formerly minister of education and has written ten books on a number of subjects.

Ortiz Rubio formerly was ambassador to Brazil.

### FOLLOWERS OF CANDIDATES ARRESTED

NOGALES, Sonora, Mexico, Nov. 15.—(U.P.)—A wholesale roundup of prominent supporters of Jose Vasconcelos, anti-administration candidate for president of Mexico was under way here tonight.

Fifteen members of the Vasconcelos for president club had been locked up at 6 o'clock tonight, according to Jesus Siqueiros, president of the organization and editor of the newspaper El Noroeste.

The arrests were made by civil authorities and the Vasconcelos leaders are being held in municipal jail.

Civil authorities of the city all appointed after the Escobar revolution last spring, are administration partisans, Siqueiros said, and have taken the drastic steps to prevent an active Vasconcelos movement during national election Sunday.

Siqueiros telegraphed a protest to President Portes Gil today, but had received no reply tonight. He charged that civil authorities had announced they would detain the arrested men until after Sunday and would continue the roundup of all active Vasconcelistas.

Vasconcelos was at Navojoa, Sonora, tonight and friends said he would abandon his train there as a matter of precaution and proceed by plane to Cananea, near the U. S. border to spend election day.

## Airplane Travel Recognized By Control Board

SACRAMENTO, Nov. 15.—(U.P.)—Another milestone on the path of progress—the state of California has officially recognized airplanes as a mode of travel for state employees when engaged in governmental business.

A new edition of rules and regulations of the state board of control is off the presses, showing just how state workers go about making out expense accounts.

For those who don't know, the board of control is the "all high-est" when it comes to state expense. Before an employee on an expense account puts a penny in a slot machine he theoretically stops and asks himself: "Would the board of control approve this expenditure?"

Consisting of the director of finance, the chief of the division of service and supply in the department of finance, and the state controller, this body approves all money claims against the state.

So, at its last meeting the board decided that airplane travel was worthy of notice and proceeded to write in a rule, granting eight cents an "air mile" for this type of travel when "necessity thereof is shown on the expense account."

Encouraged with this start, the board became lenient in another matter—that of "clothing and equipment" of state employees. The rule is that "purchase of personal clothing or equipment for use in the course of their employment must be accompanied by a full and complete statement, signed by the department head, showing the necessity therefor."

It is understood that this applies to such cases as where Gov. Young might have to purchase a top hat for some function where he represents the state. At least it should, for where else would he use anything like a top hat, except to officiate at a corner-stone laying or a revival?

Possibly awed by its temerity in the above items, the board clamped down heavily on laundry work, tonorial expenses and tips.

It looks as though state employees must wash their own socks and shave themselves now—for the state won't advance a penny on these accounts, according to the rules. And generosity toward porters and bootboys will truly come from the heart and pockets—of those hired by the state henceforth.

## Plant Wizard, 90 Works In Garden

TUDOR, Cal., Nov. 15.—(U.P.)—Now in his 90th year, George Thompson, co-ordinator of the famous Thompson Seedling grape, finds pleasure and health by working in his garden.

For many years Thompson was a nurseryman. Born in Larkshire, England, in 1839, he came to America as a boy and recalls vividly many string events of early California, of adventures and Indian fights on the way across the plains and the gold rush days.

Friends and relatives still marvel at his plant wizardry, and are inclined to place some credence in the jest that "George can plant a dry stick and it will grow into a tree."

## No Longer Amazed

JOHN P. SOUZA, world famous band leader, who recently passed his 75th year. "Nothing astonishes me any more," Souza said on his birthday while discussing modern inventions and discoveries.

## Governor Lauds State Operation Of Gasoline Tax

SACRAMENTO, Cal., Nov. 15.—(U.P.)—Building of new roads by money derived from a gasoline tax is the best system ever adopted in California. This state will never go back to the old method of issuing bonds for highway construction—at least if Governor Young can prevent it.

The governor this week declared himself highly pleased with the operation of the gas tax law, and declared that the present tax should provide the state with sufficient revenue for maintenance and new construction "for many years to come."

Any immediate attempt to increase the tax should be opposed vigorously, the executive said. California leads every state in the union in the amount of money it is turning over to counties for construction of local roads, the governor said. Here the total turn-back from license fees and gasoline tax amounts to more than \$12,750,000 annually.

When it is remembered that California's first bond issue to get highway building under way amounted only to \$18,000,000, to be applied over the entire state, the sum now going to counties annually as a direct result of that first step shows how income from motor vehicles has been stimulated by the original program.

## Local Sciots To Entertain Berkeley Group

At a meeting of Richmond Pyramid of Sciots in the Richmond clubhouse last night, explanation of the initiatory work was presented.

The meeting was attended by L. D. Browning and Joe Swanson of Berkeley Pyramid, who invited Richmond pyramid to put on a social night at the Berkeley lodge. The invitation was accepted, and the local pyramid set Jan. 10 as the date for the entertainment. J. W. Smiley, toparch of the Richmond Sciots, will have charge of the affair.

Following the affair, last night an oyster supper was served in the banquet room upstairs under the supervision of Carl Anderson, Carl LaVo and Laid Johnson.

## First Christian Father, Son Fete Tuesday Night

A fathers' and sons' banquet will be held Tuesday night by the Men's Brotherhood of the First Christian church Tuesday night.

Arthur L. Pratt, of Oakland, will be the speaker of the evening. A program will be presented. L. A. Widner will preside.

## Richmond Men At Oakland Builders Meet

The Irish Night Jubilee at the Oakland Builders Exchange Thursday night was attended by A. H. Wincheole, C. Higgins, E. H. Higgins, L. J. Slusher and J. E. Galvin of this city.

## Louis Garfinkle Estate Sued

MARTINEZ, Nov. 15.—Suit was filed by Pierre Handy and Adelaide and Lucille Coco against Florence Marcus as administrator of the estate of Louis Garfinkle, asking \$2700 alleged due on a contract.

The plaintiffs charge that a contract was signed whereby Garfinkle was to rent the lower floor of a brick building in Richmond and pay certain rents in December, 1928, January, February and March, 1929.

Garfinkle died in November, 1928.

## Shovel Taken To Martinez Job

A steam shovel, the property of Marshall and Higgins, Richmond, contractors, was yesterday taken on a flat car to Martinez where excavation work on the new Martinez hospital was started.

## Shrine Benefit Grid Tickets Now On Sale

Tickets for the annual East-West football game for the benefit of the Shrine's crippled children hospital are already on sale at Aahmes shrine temple, according to Robert S. Abernethy, recorder of the shrine.

Herbert W. Whitworth, past potentate of Aahmes temple has been named chairman of the East-West game in charge of arrangements for the game his appointment being announced by Clare D. Horner, illustrious potentate of Aahmes.

The game will be held in Kezar stadium in San Francisco on New Year's day. It is estimated that about 5000 people will view the game this year, the opening teams being made up of the best players from throughout the United States.

## Mrs. Rafanelli Funeral Today

Funeral services will be held from Our Lady of Mercy church at 10 o'clock this morning for Mrs. Mary Rafanelli, west side matron who died several days ago. The funeral cortege will leave the Curry chapel at 9:30. Interment will be in St. Joseph's cemetery.

Rosary was said at the Curry parlors last night.

## FORD AGENCY IN NEW HOME

David M. Rose, Richmond Ford dealer, has moved to his new salesroom in the Twenty-third street and Barrett avenue building. The new showrooms and service department are the most modern in the city, according to the builders. The building occupies a space 75 by 150 feet, and was constructed at a cost of about \$25,000. Many new pieces of equipment for Ford service have been added.

## Motorists Will Face Court Today

Mr. and Mrs. Michael Curtin of Thirty-first street and Horace avenue will today face charges of intoxication in Judge C. A. Odell's court, as an aftermath of an accident at Cutting Boulevard and Pollman avenue Thursday night.

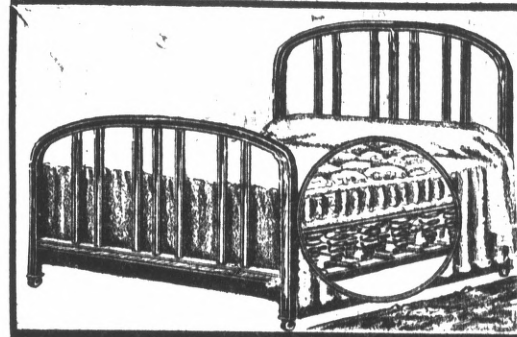

According to police reports, the Curtin automobile, driven by Mrs. Curtin, collided with a machine driven by J. Randolph, of 626 Beaton street, and then hit the two-way crossing signals at the railroad crossing.

## HIGH VARSITY CAGERS LOSE IN CROCKETT

The varsity cagers of Richmond Union high school lost their opening game of the season to the John Sweet school of Crockett by a score of 14 to 12 yesterday in the Crockett gymnasium. The Richmond B squad defeated the John Sweet team 28 to 19. The local C team lost to the Crockett C boys by a 10 to 4 score.

The Richmond varsity gained a comfortable lead over the Crockett varsity during the first half, but the Crockett boys found their eye in the last period. The score was tied a minute before the final whistle, but a last rush by the Crockett forwards won the contest. The local varsity players played a fine, consistent game and with a little more teamwork will probably be in for a successful season.

The Richmond high school cagers have perhaps the most promising team of the three basketball squads of the local high school. The local B's displayed a sensational attack with Marens and Rollins showing extraordinary speed and accuracy.

**Hard Fought**  
The contest was a hard fought battle, though the Crockett boys weights had a more accurate shooting attack than the Richmondites.

Richmond high school has three especially strong groups of cagers this season, and the local players are confident that they will stand high among the high school squads of the eastern Peninsula. Hempler, assistant coach at Richmond Union high school is coaching the local teams.

**Starting Lineups**  
The starting lineup for the Richmond high school varsity yesterday was: Vano, forward; Keno, center; Molloney, 2, running guard; Drexel, 1, standing guard. The local varsity substitutes were: Myers, forward; Passoni, 3, center.

The starting lineup for the John Sweet varsity was: Bortel, 1, 2, Thomas, 10, forwards; Crowley, 1, center; Palko, 1, running guard; Rlenke, standing guard. The Crockett substitutes were: Hagman, forward; Taconi, running guard; Young, standing guard.

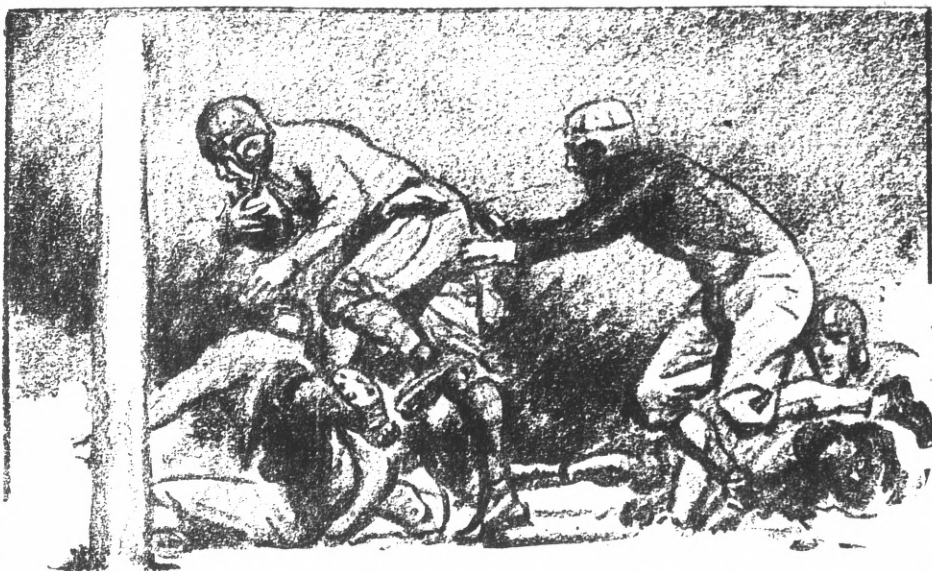

The Richmond high B team lineup was: Marcus, 6, Rollins, 2, forwards; Wilson, center; Rogers, 2, running guard; Sanfilippo, 6, standing guard. The local B substitutes were: Cooper, Dodge, 2, Corey, forwards; James, Edelfson, center; Mattouchi, running guard; Pimm, standing guard.

The Crockett B starting lineup was: Karavskop, 12, Bael, 3, forwards; Lynch, center; Thompson, running guard; Thomas, 1, standing guard. The Crockett B substitutes were: Marquis, 1, center; Owens, running guard; Vicos, 1, standing guard.

**Squad**  
The starting lineup for the Richmond high school C squad was: Johnson, Transue, forwards; Wilson, center; DeCorteen, running guard; Oishi, standing guard. The Richmond C squad substitutes were: Ansell, 2, Hurley, 2, Combs, forwards; McDonald, center; Logan, Conn, running guards; Costa, standing guard.

The starting lineup for the

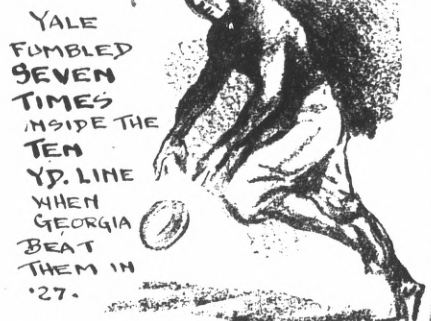

## LOSING BY INCHES!

COLUMBIA WAS JUST PUSHING OVER THE WINNING TOUCHDOWN WHEN THE GAME ENDED—GIVING THE VICTORY TO CORNELL. (Nov. 2, '29)

STANFORD (OREGON AGGIES), PURDUE, AND YALE, ALL LOST IMPORTANT GAMES IN '27 BY FUMBLES INCHES FROM THE GOAL!

YALE FUMBLED SEVEN TIMES INSIDE THE TEN YD. LINE WHEN GEORGIA BEAT THEM IN '27.

## 1ST CHRISTIAN CAGERS BEAT BAPTISTS

The First Christian church basketball squad defeated the First Baptists 18 to 14 in the A division game on last night's card of the Y. M. C. A. church basketball league. The Episcopalians defeated the San Pablo Baptists 14 to 16 in a B division contest.

Both games were exceptionally well played, and excitement was maintained at fever heat during both contests. The First Christians established a small lead in the beginning of their contest with the First Baptists, but had a difficult time in maintaining that margin.

The Episcopalians and the San Pablo Baptists were evenly matched.

Crockett C team was: Holder, 4, Rogers, forwards; Cronin, 2, center; Kohler, 2, running guard; Sinibaldi, standing guard. The Crockett C substitutes were: Turcovich, forwards; Jones, center; Williams, 2, standing guard.

The starting lineup for the

## TROJANS, IRISH AWAITING KICKOFF

CHICAGO, Nov. 15.—UP—Every condition combined tonight to make the clash of Notre Dame and Southern California on the gridiron at Soldier's Field Saturday one of the sport classics of the year.

More than 110,000 fans, gathered from the four corners of the nation, jamming the city's hotels to capacity and nervously awaiting the kickoff of the game.

The weather prediction was for clear skies and cool but not chilling breezes. The ticket office receipts more than \$300,000.

**Trojans Arrive**  
The California Trojans, 38 strong, were here ready and relaxed after their long trip. Except for one ailing member left home, Harry Edelson, a star back, they were in good physical condition.

The Notre Dame Irish down in South Bend, sent word that they were at their best.

One of the best pieces of news too, was that Knute Rockne, who early this fall predicted he had a national championship team in the making, had arrived here in an ambulance and positively would be on the sidelines to watch his charges. Rockne is suffering from blood congestion in a leg which has kept him in bed for some time.

**Signal Workout**  
The three Irish teams went through a light signal workout at South Bend today. Rockne will have 45 players in uniform and 50 more reserve players in civilian clothes in the stands.

The Trojans leaving their trails this morning held two light workouts and probably will go through light exercises in the morning.

Coach Howard Jones said his

## Oakland Grid Game Cancelled

OAKLAND, Nov. 15.—UP—The championship game of the Oakland football league between Roosevelt and McInmonds high schools was called off today by Willard E. Givens, superintendent of schools, because goal posts of the two schools were daubed with colors of the rival school.

**Oregon Frosh Beats Rooks**  
BELL FIELD, Corvallis, Ore., Nov. 15.—UP—A dazzling passing offensive with Rushow, full-back, doing the tossing enabled the University of Oregon frosh to win the second of the "Big Little" football games with the Oregon State College rooks here today by a score of 31 to 19.

Shining the results of long practice since their defeat by the rooks at Medford last week, the frosh rushed over two touchdowns in the final period to break a 19-19 deadlock.

**San Pablo Nine Ready To Tangle With San Leandro**  
According to Ted Crist, manager of the Pablo Pallets, half the town of San Leandro will move to San Pablo tomorrow for the game between the local team and the San Leandrians.

Crist says that the more of the San Leandro fans that come to see their game get beat, the happier he will be, as the collection plate is in need of added contributions.

Roland Roberts is slated to take the mound for the locals and "Red" Ball will be on hand if there is need of a relief pitcher.

**Ralph Lewis Will Move To Santa Rosa**  
Ralph Lewis, local radio engineer, has sold his interests in the Home Bakery to Herman Ostrom. Lewis and his family are moving to Santa Rosa where Lewis will enter the flower business.

California team would put in its strongest lineup at the start of the game, no matter whether or not Rockne decided upon starting the "shock" troops.

**U. S. C. Sighting**  
The Trojans tonight went sightseeing. They leave Saturday night immediately after the game on the long trip home.

Letting was cautious, with Notre Dame a 6 to 5 favorite. The probable lineups: Notre Dame Pos. ... S. Cal. Coltrick ... LE ... Tappan ... McNamara ... LT ... Hall ... Metzger ... LG ... Barrager ... Nash ... C ... Williamson ... Kassis ... RG ... Galloway ... McManmon ... RT ... Anthony ... Murphy ... RE ... Arheide ... Schwartz ... LHR ... Anst ... O'Connor ... RHB ... Pinckett ... Gebert ... QB ... Duffield ... Howard ... FB ... Musick, Merle Huford of the northern-

## By Burris Jenkins Jr.

IF LONGMECKER'S FOOT HADN'T SLIPPED DARTMOUTH WOULD HAVE BEATEN YALE

## Bears Favored In Husky Battle

SAN FRANCISCO, Nov. 15.—UP—A trite tremulous lest some ingredients of their best remaining threat may be taken away, many enthusiastic football fans of the far west will keep a watchful eye or a close ear on activities at Berkeley Memorial stadium when California and Washington clash tomorrow.

The choicest of gridiron offerings on the Pacific coast this season will be the "Big Game" between California and Stanford next week but the Washington Huskies would take some of the dazzle from that spectacle by taming the Golden Bears, only undefeated squad in the coast conference. A win for California tomorrow and the title will be at stake in the colorful "Big Game."

**Bears Favored**  
The Bears, conquerors of Southern California in the outstanding upset of the season, were favorites tonight but there were two points against them.

California players will be apt to take unusual precautions against being injured just before the Stanford game and they are liable to be a little too confident of their ability.

The Huskies are heavy and hit hard. They astonished Stanford last Saturday by holding the Cardinals to a 6 to 0 score.

Two other interesting games are on the calendar for tomorrow and will most likely help in determining the strongest team of the Pacific Northwest. University of Oregon and Washington State are battling on even terms for supremacy of that region. Oregon will meet Oregon State in the major conflict of the year for that state and Washington State goes against Montana, an eleven that scored three touchdowns on California last Saturday and held Washington to a tie.

The Washington State crew is likely to win more easily than Oregon on the basis of past performances, but Oregon is on the long end of the odds because of its passing attack.

By the most logical reasoning California should defeat Washington by two touchdowns. This method of figuring, however, has been getting more and more inadequate in this region.

**Last For Huskies**  
The Huskies are playing their last conference game under the leadership of Coach Enoch Bagshaw and are set for the greatest fight of their career. Bagshaw, who has brought their school championships and they have failed to turn in a single win for him this season.

Individual duel between Howard ... Musick, Merle Huford of the northern-

## New Rules To Speed Hockey Games, Belief

NEW YORK, Nov. 15.—UP—National hockey league officials are convinced that the new rules introduced for the 1929-30 season will result in a general speeding up of the game and elimination of low scoring contests.

Thursday night opening games were attended by 40,000 fans and except at Ottawa where the Canadiens-Ottawa Senators game was marred by numerous penalties, the spectators were enthusiastic over the rule changes.

Twenty goals were scored in the four opening games and no team waited to score at least one, although two of the contests resulted in deadlocks. The penalty total was unusually high, 84 fouls being committed by the eight teams.

Penalties were largely the result of failures of the players and officials to reach a mutual understanding on the rules. Despite the disagreement, the new rules revealed a game far superior to the style offered last season.

## Big Six Grid Games Today

KANSAS CITY, Mo., Nov. 15.—UP—The Big Six football billing for Saturday offers two high points for fan enthusiasm, the conference game between Nebraska and Oklahoma and the inter-sectional contest between Missouri and New York university. The second place Kansas Aggies will be idle and the remainder of the schedule carries little significance. Iowa State plays Drake in one of those games spoken of as "a struggle between ancient rivals," and Kansas university meets Washington university at Lawrence.

## Netherland Bank Reduces Rates

AMSTERDAM, Holland, Nov. 15.—UP—The Bank of Netherland reduced its bank rate from 4 to 4 1/2 percent today.

ers and Benny Lom, ace of California is expected. Both are good open field runners.

Three other members of the 20 college circuit will be engaging in non-conference combats while University of Southern California is defending western prestige against Notre Dame at Chicago.

Stanford's second team will probably start against Santa Clara. The University of California at Los Angeles will enter in St. Mary's and Idaho opposes Gonzaga.

Stanford's second team will probably start against Santa Clara. The University of California at Los Angeles will enter in St. Mary's and Idaho opposes Gonzaga.

Stanford's second team will probably start against Santa Clara. The University of California at Los Angeles will enter in St. Mary's and Idaho opposes Gonzaga.

## HIGH GRIDDERS WILL PLAY UKIAH

The last battle of the Richmond high school football season will be fought this afternoon against Ukiah high school on the Ukiah gridiron.

The best men on the local squad will make their last try for victory, and the contest is therefore expected to furnish plenty of excitement to the large crowd of Richmondites who are expected to attend this game.

The Richmond high school warriors will have a tough battle to fight today if they expect to return victorious, according to rumors that are circulating among the local high school football enthusiasts.

The members of the Richmond high school team who will not travel to Ukiah today will usher in the California-Washington game in the Berkeley stadium.

The local players who will travel to Ukiah are: Charlie Jackson, Arthur Neckie, Bob Peters, Bill Dunleavy, Roy Carson, George Degman, Ray Juillerat, C. Hall, Louis Ball, George Belts, Benny Hoefler, Walter Ackerman, Howard Dalton, Russell Lane, John Rosano, Eldon Hall, Michael Brook, Jack Stoddard, Jack Hosmer, Ugo Boschetti, Eldred Jewell, George Miller, Bob Miller, Ernest Mitchell, and Andrew Weiling.

## Local Bowlers In Oakland Tourney

Many Richmond bowlers, who were formerly members of the Standard league, are now participating in the Oakland and Bowling league.

Among these are: C. Griffin, E. Pinkerton, W. Miller, S. Nystrom, H. Thomas, P. Glum and C. McWilliams.

J. DeBare and L. Stanford are rolling in the Northern California league in San Francisco.

S. Nystrom, J. DeBare, and "Doc" Long rolled in the finals of the Examiner tournament.

THEY TOLD ME YOU HAD COURAGE BUT I GUESS THEY WERE THINKING OF THAT SOMEBODY ELSE!

THEY ALL WANT TO BOX WITH DYNAMITE JUST LIKE THEY WANT TO FONDLE A BUZZ SAW! GOSH—I GIVE IT UP—!

WHAT'S ALL TH' FUNNY HANDWRITING? "FROM CYCLOPE BISHOP, SOUTH WALPOLE, MASS."

SOUNDS LIKE A FIGHTER'S NAME!

## MYSTERY FIRE AT LOCAL WHARF

(Continued from page one)

The fire was started at two points. In addition to the serious fire at the extreme southern end of the wharf, another serious fire was about 40 feet to the north. The bonfire seen by Fonna does not clear up the starting of the second fire.

Firemen fought the blaze for over an hour early yesterday morning and one crew stayed on watch throughout the remainder of the night. At 5:30 a. m. another serious outbreak occurred, but these flames were subdued in record time.

**Stubborn Blaze**  
Because of the nature of construction of the building it was a stubborn blaze to fight, and in one instance a fireman with a hose had to be lowered over the side of the wharf with the aid of ropes in order to reach the blazing pile.

Officials were unable to estimate the loss from the flames yesterday. It was variously estimated at from \$5,000 to \$30,000. Some of the piles at the southern end of the wharf will probably have to be pulled, according to City Manager J. A. McVittie, who in company with fire insurance adjusters, city officials and others, made an inspection of the wharf yesterday.

**Thorough Inspection**  
A thorough inspection is to be made underneath the wharf with the aid of boats within a few days at which time the amount of repair work necessary will be determined. In the meantime, the northern end of the wharf is being used for the handling of sugar, which is the only commodity shipped over the wharf.

Fire Chief W. P. Cooper continued his investigations yesterday, and stated that the fact that the fire had apparently started in two places strengthened the arson theory.

## New Wage Scale For Motor Patrol Now In Effect

SACRAMENTO, Nov. 15.—UP—A new scale of wages for traffic officers of Contra Costa county was in effect today.

Revision of salaries, which ran into a snag with the Civil Service commission on several weeks ago when proposed by Eugene W. Biscailuz, superintendent of the California Highway Patrol, has finally been ironed out, and the new schedule of monthly salaries follows:

Patrolmen—\$175 to \$225; county captains—\$225 to \$250; district inspectors—\$250 to \$295; inspectors at large—\$300 to \$350.

Reorganization of the whole system of traffic patrol was also announced by Biscailuz. Four new bureaus will be created, consisting of: Bureau of Education, General J. J. Borrie, former adjutant general chief; Bureau of Traffic headed by Otto Langer, San Diego; Bureau of Lights and Brakes, and Bureau of Commercial Vehicles and Weights. Heads of the last two divisions have not been named.

The state will be divided into four major law enforcement divisions including Northern, Central, Southern and Coast districts to be headed by four inspectors at large. Within these four major districts will be created 16 sub-divisions, each to be headed by a district inspector.

Under the new system, the state will take over all motorcycles and equipment used by traffic officers.

## A. Pendleton Rites Today

Funeral services for the late Albert Pendleton, Richmond mail carrier, will be conducted from the Curry parlors this morning under the auspices of Onetah Tribe of Red Men. The funeral will be attended by the mail carriers of Richmond, and the Richmond lodge of Moose, who will attend in a body.

## Cigaret Started All This

GAS EXPLOSION in Timms Spring Co. plant at Elyria, O., killed six persons and left the establishment looking like this. A cigaret lighted near a gas tank is believed to have been responsible for the fatal blast.

## 3 CHILDREN DIE IN FIRE

KANSAS CITY, Mo., Nov. 15.—UP—While Mrs. Sam Stevens, 28, today was caring for two of her seven children in a bedroom of her home at Pleasant Hills, a suburb, she heard an explosion in the kitchen and rushed there to find three others of her children covered with flames.

Mrs. Stevens' own clothing caught fire as she attempted to tear the clothes from Hubert, 9, Robert, 2, and Virginia, 7. All three of the children died from the flames which enveloped them when Hubert, attempting to assist his mother, poured kerosene on the dying embers in the kitchen stove.

Mrs. Stevens was taken to the general hospital, where doctors said it was doubtful whether she would recover. She was unaware of the death of the three children.

## Fliers Resting

TAKING a well earned rest, Soviet fliers upon the completion of the Moscow-New York flight. They are (left to right) Boris Sterlingov, navigator; Dmitry Fuvayev, mechanic; Philip Bolotov, assistant pilot and Semyon Sheshtakov, pilot.

## Admiral Dewey Camp Nominates New Officials

Nomination of officers was held at last night's meeting of Admiral Dewey Camp, United Spanish War Veterans in the Memorial hall.

District Inspector Koehler paid his official visit to the camp last night and made a short address to the gathering.

A committee was appointed to attend the meetings of the Veterans General Hospital association, and consists of Charles Booth, O. A. Paulsen, Ralph Wood, George Stauffer and Paul Beedy.

## Kansas Hen Holds Record

SPRINGFIELD, Ill., Nov. 15.—(UP)—An industrious Kansas bred hen, with certain notions about egg laying activities, tonight was awarded the state championship in the Illinois department of agriculture's contests.

The hen, a white leghorn owned by the Coombs Farm of Yedgwick, Kan., achieved fame by laying 312 eggs in one year, a record.

She seemed to have definite ideas about the days for labor and the days for rest, however, and generally took Sunday off. She averaged laying six days a week throughout the year.

## 11 Bodies Taken From Coal Mine

CONSTANTINOPLE, Nov. 15.—UP—Eleven bodies were recovered and many more were believed to be in the shaft after an explosion in a coal mine at Son guaidak on the Black sea.

## BIRTHS RECORDED

Two babies were recorded yesterday in the office of the City Health department. They are: A son born Nov. 14, to the wife of Charles Toretta, 409 South Thirtieth street, and a daughter born Nov. 8, to the wife of Nicholas Granado, of Point Richmond.

## Brown College Hit By Blaze

PROVIDENCE, D. I., Nov. 15.—UP—More than 20 students of Brown university were driven from their rooms tonight when a fire broke out in the college dormitories. The fire was caused by a threatening fire.

The students assisted local firemen in extinguishing the blaze which caused damage estimated at \$10,000. A poorly insulated electric wire was believed the cause.

## Ladies Night For Point Masons Set For Tonight

Ladies night will be held by the Point lodge of Masons tonight at the hall in west Richmond.

Dancing and cards will be enjoyed during the evening and refreshments will be served. Music for dancing will be provided by Westgerber's orchestra.

## Standard Oil Workers Go To Texas Refinery

Five Standard Oil employees left last night for Colorado, Tex., where they will be employed for six weeks or two months in giving instructions for operation of the new high pressure stills at the Standard Oil refinery there. E. K. Rowell, superintendent, will have charge of the work. He was accompanied by C. S. Caswell, F. L. Hollingsworth, Frank Smith and E. S. Wells.

## CROPS HIT BY DRY WEATHER

SACRAMENTO, Nov. 15.—UP—Abnormal temperatures for October caused considerable upset in California truck crop conditions, according to the semi-monthly report of the California Cooperative Crop Service.

Lettuce maturity has been speeded up by the warm weather so that a good portion of the intended December crop has matured. Warm damage and heat has affected young plantings in the Imperial valley.

Tomato production, which has been far behind normal for the season, was rapidly increased in the northern section by October weather. It is quite evident that the canned pack will be short of anticipated tonnage, and canners are buying ripe stock from green fruit shippers. The southern crop has yet shown no indication of late blight, putting these growers in a better position now than they have been for the past two years, with practically a clear field in California.

Cauliflower production is forecast at 3500 cars. Most fields where water is available are in fair condition, but the Colma section is suffering from lack of rain and fog.

Intended acreage of spring celery shows a slight decrease compared with previous years. Excellent growth during the past month is reported from the Delta region. San Diego county has not been benefited by the warm weather and early stock will be of only ordinary quality. Venice celery at present is very poor quality.

## Windrem Says He Was Misquoted

Richmond, California, Nov. 15, 1929.

To the Editor of the RECORD-HERALD:

May I request you to kindly correct some errors in your publication of my address at the Charter League meeting last Wednesday night. As published it does grave injury to the council, city officials and to myself.

What happened was this: I read an excerpt from the speech of Mayor Paulsen in which he states that we should not air our grievances on the street but should come before the City Council with them. Answering that statement, I stated that the Mayor must have seen the humor of such advice: That one of our chief grievances was against members of the City Council and their actions. I then said: "Let us suppose that we should go before the City Council and say: 'We believe you are incompetent; we believe that the City Council should resign; we believe you are responsible for the six hundred vacant homes and other intolerable conditions; we believe you are extravagant and we believe you committed a crime against the people when you voted away the waterfront for nothing.'"

I then said: "What a razzing we would get from the City Council!"

The other matter to which I call your attention is the statement as quoted by you: "We need an entirely new City government. Our present one is rotten to the core." What I did say was "we need an entirely new charter. Our present one is rotten to the core."

Please make these corrections and greatly oblige  
Yours very truly,  
LEE D. WINDREM

## TURKEY SHOOT

Sunday, November 17th, and November 24th, the Bay County Rifle Range, Inc., will hold a big turkey shoot on the upper Skow range on San Pablo dam road. Shots 35 cents each or 3 for \$1.00. 11 16 21

## NEW TODAY

## Protect Your Furniture

A \$1.25 to Rid Your Home of Moths May Save You Hundreds of Dollars.

## MORTEMOTH KILLS MOTHS

The gas from Mortemoth crystals not only protects your furniture for a long time, but contact with it kills all moths, their eggs and their dangerous larvae in furniture which is already infested.

The proper method of using Mortemoth crystals is to tie them in small sacks, and to place these sacks down in the channel of the piece, as deep as possible, behind the cushions, so that, upon expansion, the gas will spread and fill the spring units in the back and in the bottom of the piece.

When the sacks are empty, fill them again.

PRICE \$1.25 PER BOTTLE
